PROFESSIONAL EXPERIENCE
April 2018 - April 2019

Classmarkets GmbH
Junior Front End Developer

I was hired to extend the team of 10 developers to support and improve the FE part of the project. I am responsible for the visual part of the media houses' websites. My work included Less to Sass migration, Assetic to Wepback Encore migration, React and React-related libraries updating, complete redesign of some portals.

November 2016 - January 2018, Berlin

TMB Tourismus-Marketing Brandenburg GmbH
Tourist consultant and saleswoman

Travel tickets consultation, sightseeings advice, office activities at Schönefeld Airport
